

REDNALL DOES THE BUSINESS TO SEAL A SEMI-FINAL SPOT

Defending champion Katherine Rednall safely negotiated her quarter final match against Clare Hendra, a Business Analysis Manager from the Silverstream club in Wellington, New Zealand, winning by one and a half sets to a half 12-2, 7-7.

The local Norfolk player quickly found her line and length to take a 7-0 lead and although Clare scored successive singles, Katherine responded with a double and treble to put the set out of doubt.

In the second set, Clare opened her account with a treble on the second end and then added four shots over two of the next three ends to move 7-2 ahead.

However Katherine slowly chipped away at that lead, scoring three singles in a row followed by a double to share the set at 7-7 and avert a tie break shoot out.

The next New Zealand action on the World Bowls Tour will hopefully be Craig Merrilees as we await details for the UK Singles. This event came to life last year in Newcastle.
